Dear Ana Maria,

We cannot thank you enough for the excellent job that you and your staff did to make our stay in Portugal exciting and interesting! From our wild golf cart rides in the Algarve to the beauty and elegance of Queluz Palace, we would all be hard pressed to pick a favorite place or activity.

However the trip certainly would not have been complete if we had not gotten to know you and Ana Bela (spelling?). Everyone was very impressed with Destination Portugal's professionalism and attention to detail. The program that your company put together for us truly highlighted the best that Portugal can offer to the incentive traveler.

We all hope to return to Portugal soon with our clients however in the meantime we will have to be content to look at our pictures, practice our fado and take our cataplana cooking skills to new heights.

All the best to everyone at Destination Portugal and your families over the holidays!
