Dear Ana Maria,

You are the Best! What you promise you delivered. The Global Advertising Directors and the Editors-in-Chief of our magazines from all over the world, have completed their conferences and are headed to their home countries. Everyone has complimented us highly about all of the arrangements. From the airport meet-and-greet to the departures and everything in-between. Of course, the evening at the Coach Museum was absolutely the most outstanding of the week.

Everything you suggested was a perfect fit for our executive group. The editors-in-chief group think of themselves as being very cultured. The advertising directors think they have done everything. The arrangements you made covered all bases and more than pleased and surprised everyone. They will be hard to beat. Your vehicles, drivers, tour guides, restaurants wine and menu suggestions satisfied everyone.

You can be sure that I will never again come to Portugal without calling you first. I look forward to working with you in the Algarve early in 1998.

Thank you very much for all your guidance and understanding. I expect to see you in the States before too long.

Best wishes for a wonderful holiday season. Give my best to the your lovely daughter, Ana Maria.

Warm regards,

Ms. Ana Maria Mendes
